

To help the government fight terrorism and financial crimes, federal regulation requires Green Pier Fintech LLC ("Green Pier") to obtain, verify, and record your name, date of birth, address, and a government-issued ID number or other information that will allow us to identify you before opening your account. In certain circumstances, Green Pier may obtain and verify comparable information for any person authorized to make transactions in an account. Also, federal regulation requires Green Pier to obtain and verify the beneficial owners and control persons of legal entity customers. Requiring the disclosure of key individuals who own or control a legal entity helps law enforcement investigate and prosecute crimes.

Your account may be restricted or closed if Green Pier cannot obtain and verify this information. Green Pier will not be responsible for any losses or damages (including, but not limited to, lost opportunities) that may result if your account is restricted or closed.
